

Libresse.

insights.

Forget about stains. Libresse.

Those days are just like the rest of days

Feel really secure during your period

Not afraid to stand up from a chair

You don't need to tie anything around your waist (to make sure nothing happens)

You won't need to lock yourself up

You don't have to check yourself a thousand times (to see if you are stained)

You will not be exposed

More days dressed in white

Underwear will look like new forever

Constantly dry no matter how much you sweat
